

EXECUTIVE SPEAKING SKILLS (ESS)

© Voice Business

Great for executives...who have to speak with confidence.

Purpose:

This course gets your speaking skills up to a level of competence you and your company will be very happy with. Together you and your personal voice coach will thoroughly analyse and explore your vocal strengths and weaknesses. Immediately, appropriate solutions are introduced and practiced in a step-by-step fashion, carefully building up the repertoire of tools and skills required to speak with flair and confidence. Breathing, diction, vocal variety, adding interest and projecting confidence will be focussed on in depth. This method suits those who wish to polish their skills in privacy.

Highly recommended.
